

# DON'T PAY INFLATED COUNCIL RATES!

Did you know rubbish removal costs less than \$200 per household, per year?

Council services such as planning approvals are not covered by your rates!

**So where does your money go?**

## ONKAPARINGA COUNCIL ARE PLANNING A 4.7% RATE RISE

Outstanding loans are \$95m which will increase to over \$138m in 2 years. They are spending BIG money on projects that don't benefit us.

We could save millions by handing these projects back to State or Federal Government – where they belong – **so we can reduce Council rates!**

## COUNCIL ELECTIONS 2022

# GET INVOLVED MAKE A BIG DIFFERENCE

## HOW TO VOTE

Councils have a far greater influence on communities than most people think.

Voting in Council elections is done by post. Voting packs will be mailed to your home from **Fri 14 - Thu 20 October 2022**. For us to deliver on our promises, we need you to **VOTE FOR ALL 3 OF US**.

**Vote for Mark Nielsen for Mayor and the 2 Councillors from your Ward.**
