

DON'T PAY INFLATED COUNCIL RATES!

Did you know rubbish removal costs less than \$200 per household, per year?

Council services such as planning approvals are not covered by your rates!

So where does your money go?

ONKAPARINGA COUNCIL ARE PLANNING A 4.7% RATE RISE

Outstanding loans are \$95m which will increase to over \$138m in 2 years. They are spending BIG money on projects that don't benefit us.

We could save millions by handing these projects back to State or Federal Government – where they belong – **so we can reduce Council rates!**

COUNCIL ELECTIONS 2022

GET INVOLVED MAKE A BIG DIFFERENCE

VOTE FOR US SOUTH COAST WARD

MARK NIELSEN for
MAYOR OF ONKAPARINGA
